

Cypriot.

3. The change of the demographic character of Cyprus which Turkey is trying to achieve by her actions which cause serious concern among the Greek Cypriots because they clearly prove Turkey's expansionist policy for the turkification of Cyprus.

4. The continuous arming of the occupation troops with modern American arms, in violation of the U.S.A. law, arms which are provided for the strengthening of the defence of NATO's south east flank and which she intends to use against Greek Cypriots.

5. The daily selling out of our land by Denktash to British, Syrian, Dutch and other nationals. This land belongs to all Greek Cypriots who were expelled from their ancestral homes and became refugees in their own country.

6. The recent colonisation of Famagusta. We demand for the return of all refugees to their return of this town to its lawful Greek Cypriot inhabitants who were forcibly expelled by invasion troops.

7. The non-tracing of two thousand missing who were arrested during the invasion and were taken to prison in Turkey. Their families are daily living a drama not knowing the fate of their beloved.

8. The difficult living conditions of the enclaved in Karpass peninsula and the Maronite community. These people live among the

Turkish settlers deprived of their properties and all other possessions which are necessary for a decent life.

9. We demand the withdrawal of all the Turkish troops and settlers from Cyprus that constitute a serious obstacle to a just and viable solution to the Cyprus problem.

10. We repeat, Your Excellency, our firm demand for the return of all refugees to their ancestral homes in conditions of safety.

11. We are sure that you will submit a new framework for the solution of the Cyprus problem in which you will include the crystal clear views of the Greek Cypriot side giving priority to the three fundamental freedoms, i.e. of the freedom of movement, freedom of settlement and the inalienable right to property, views that you have ignored in your document of 29 March 1986. With this gesture you will correct a mistake and you will open the way to a new and constructive dialogue which undoubtedly will lead to a just solution to the Cyprus problem.

12. Hoping that the present resolution will be circulated to all members of the United Nations and the Security Council, we express our thanks.

Πάντα για σένα

Πάντα σε γύρευα
μέσα στα ξένα,
μέχρι που έσθηναν
όλα τ' αστέρια
κι' άρχιζε πάλι
μια νέα μέρα,
κι' ένας αγέρας
παραπονιάρης
μιλούσε πάντα
για σένα.

Πέφτω με δάκρυα
πασ' το κρεβάτι,
και με παράπονο
πάνω στα χείλη,
άσπλαχνος ύπνος
δεν με αφήνει
πιάνει κουβέντα
πάλι για σένα.

Μόνος μου γύριζα
μέσα στα ξένα,
ένα σκοτάδι
με λίγο νοίκι,
από την κάμαρα
ως και τα τρένα
πάντα γυρεύοντας
να βρω εσένα
(κι' αυτά ακόμα
μιλούν για σένα)
